Title A dot C dot M Store in Bonner in Winter

Date left paren unknown or estimated right paren unknown

Description Photograph of the ACM Store in Bonner taken from across the street. Deep snow is in the foreground and obscures the view of the store's porch. Large glass windows line the front of the store and two smaller upstairs windows are partially obscured by the deep snow on the roof of the porch. Icicles hang from the eaves of some buildings. A pickup truck on the right side of the photograph is backed up to the store. Photo caption reads colon A dot C dot M Store in Bonner
