charge

choose CMS and build new website with membership features & functions, resources for music catalogers, and collaborative work areas

progress

investigated Association Management Systems (AMS)
selected three to evaluate in depth
final choice: Membee

upcoming

new site will feature:

- ~ easy member sign up, renewal, & event registration
- ~ searchable archive of MOUG conference presentations, Music Cataloging Bulletin, Jay Weitz's Q&A columns, etc.
- ~ more music cataloging resources
- ~ shared work areas for committees, groups

and much much more!!!!

survey findings

music cataloging wiki/discussion environment should
be developed gradually

new website will gather existing documentation in
one easy hub as a first step

tell us what you think!
